Other Organizations	Bear Lake Conservation District, Caribou Conservation District, Central Bingham Conservation District, Franklin Conservation District, Idaho Department of Environmental Quality, Oneida Conservation District, Portneuf Conservation District, Power Conservation District, South Bingham Conservation District
Project Primary Contact	George Hitz (george.hitz@swc.idaho.gov)
Project Stage	Implementation
Duration	2019

Studies, Plans, Monitoring & Assessment > Plans

Assist DEQ to complete a 5-year review of a watershed in SE Idaho that DEQ will select during FY2019. A 5-year review documents progress that has been made towards implementing the recommendations and achieving the water quality goals of an approved TMDL.

No additional photos provided

Tracker tells stories at a broad-brush level. Individual project performance measures and expenditures should not be relied upon for complete and total accuracy and should be confirmed with a project's lead implementer. Project locations subject to confidentiality provisions under state and federal law specify the location of a local conservation district or USDA service center office.
